

Check List For Digital Metal Detector

Project Name
 Inspected Date

User Company Name

| Required Sheet | Yes | No |
|----------------|-----|----|
| Quotation | x | |
| Drawing | x | |
| Technical File | x | |

1. Product & The customer Previous Conveyor Details & Environment Conditions

| Contents / Container | Max. Length In Flow Direction (mm) | Max Width In Flow Direction (mm) | Max Height In Flow Direction (mm) | Customer Belt Speed Max. (m/min) | Customer C/V Roller Dia(mm) | Temperature Around Factory in °C | Air Humidity in % | Plase of Installations Base/Ground | Vibration Yes/No | Dust Yes/No |
|----------------------|------------------------------------|----------------------------------|-----------------------------------|----------------------------------|-----------------------------|----------------------------------|-------------------|------------------------------------|------------------|-------------|
| | | | | | | | | | | |
| | | | | | | | | | | |
| | | | | | | | | | | |

* Please fill the above blank out for Max and Min contents ONLY in case of various kinds of products.

2. Product Conditions(pls mark in the all below blank)

| Frozen Fish/Meat/Chiken/Instant Food | | | Fresh&DryFish/Meat/Chiken/Instant Food | | | liquid Juice/Powder/Bread/Noodle//Instant Food | | | | |
|--------------------------------------|--------------|---------------|--|---------------|---------------|--|-------------|---------------|--------|--------|
| Under 0 °C | 0 °C ~ 15 °C | 15 °C ~ 20 °C | 15 °C ~ 30 °C | 35 °C ~ 45 °C | 45 °C ~ 50 °C | 15 °C ~ 30 °C | 35 °C~45 °C | 45 °C ~ 50 °C | 60 °C | |
| x | | | | | | | | | | |
| Liquid | Water | Oil | Paper/Textile | Stone | Pudding | Fruits | Grain | Tablets | Jam | Rice |
| Chocolate | Powder | Pizza | Juice | Sausage | Noodle | Tea | Glass | Fruits Cake | Dough | Pork |
| Beef | Fish | Candy | Potato Chip | Detergent | Dumpling | Confectionery | Coffee | Glucose | Tissue | Cake |
| Credit Card | Toy | Clothing | Pulp | Diaper | Soup | Bottle | Cake | Shoes | Tire | Rubber |
| OTHERS | | | | | | | | | | |

* Please fill it out after discussing the above checking point with your customer

3. Package Conditions for Products (pls mark in the all below blank)

| Paper Carton | Paper Box | Paper Bag | Metalized Film | Leather | Silk | Aluminium Foil | Textile | Cotton | Rayon | Bottle |
|--------------|-----------|-----------|----------------|---------|------------------------|----------------|---------|---------|-------|--------|
| x | | | | | | | | | | |
| PO | PE | PP | PET | Glass | Aluminium Foil Capping | Pouch | Fresh | Plastic | Steel | |
| OTHERS | | | | | | | | | | |

* Please fill it out after discussing the above checking point with your customer

4. Digital Metal Detector Required

| Flow Working Direction | Power Supply 1 or 3 phase 220/380VAC 440/480VAC | Metal N.G LAMP Yes/No (option) | Rejector Type Flipbar/Airjet Pusher/Drop Slide..... | GUIDE LINE Yes/No (option) | Basket Box Yes/No (option) | Conveyor Working Height (mm) (option) | Photo Sensor Yes/No (option) | Stainles Steel Frame (SUS316) Yes/No (option) | Foot Master Wheel Yes/No (option) | Plastic Belt Yes/No (option) |
|------------------------|---|--------------------------------|---|----------------------------|----------------------------|---------------------------------------|------------------------------|---|-----------------------------------|------------------------------|
| | | | | | | | | | | |

* Please fill it out after discussing the above checking point with your customer

5. Special Specifications for Check Weigher
